

LAB SAFETY ASSIGNMENT

You have a choice to complete one of three assignments. All assignments will be graded on a rubric.

All assignments must address the following:

1. Minimum of 6 safety components
2. Interpretation of the safety components- why is the safety component important?

Choice 1: Create a comic strip. Comic strip is a minimum of 6 panels and a maximum of 12 panels. Comic strips must be neatly drawn and the use of color is required.

Choice 2: Create a Rap. There must be a minimum of three verses and a chorus. Appropriate language must be used.

Choice 3: Create a poster board. Poster must be created on standard size 28" X 22" posterboard. At least 4 pictures must be included on the poster

Due Date: _____
